

COVID-19 POLICIES FOR IN-PERSON LESSONS

SARA MARIE MUSIC STUDIO

STUDENT POLICIES:

1. All students must use hand sanitizer upon entering and leaving the house.
2. All students entering and exiting the house for lessons must be wearing a face covering. Vaccinated students may remove it once in studio.
3. Unvaccinated piano students must wear their face covering for the duration of the lesson. *unless otherwise specified by teacher
4. Unvaccinated voice students must wear their face covering at all times except when singing warm-ups or a song.
5. Student(s) and one parent/guardian may be in studio during lessons
Unvaccinated parents who accompany their child to a lesson must wear a mask.
6. If you arrive early for your lesson, please wait outside the double doors outside my studio.
7. If you are ill or starting to feel ill, PLEASE DO NOT COME! Please reschedule your lesson or have your lesson virtually! If you come to your lesson ill, your lesson will not commence and you will be asked to exit the studio. Your lesson will not be made up and a refund will not be issued. This decision is out of an abundance of caution for the safety of everyone.
8. If you choose to reschedule your lesson due to illness rather than do it virtually, please schedule once you are recovered. If you have had a fever, you must be fever free and completely recovered before returning to in-person lessons.
9. If you or anyone you live with becomes exposed to COVID-19, or you contract the virus yourself, your lessons will be held virtually for at least 2 weeks or be rescheduled. OR If you have a negative Covid test and no more symptoms, you can return to in person lessons.
10. If you travel out of state by plane, your lessons will be virtual or for at least 1-2 weeks or be rescheduled upon your return.

NOTE- *If you are attending school in person, and your school district closes, goes into full/partial quarantine, and/or moves to completely online learning due to a COVID-19 outbreak, your lessons will be moved online until the school is back in session in person.

REQUIRED MATERIALS:

1. Sheet music and/or piano books.
2. A notebook and pencil to write down notes from the lesson. Or you can use a smart device to type down your notes if desired. I can also post your notes on the music portal upon request.

WHAT TO EXPECT IN THE STUDIO-

1. I will continue to wear a mask for all in person lessons.
2. For voice lessons, I will be sitting at a keyboard that faces students directly. Voice students will enter and stand 6 feet away in front of a music stand and sneeze guard. Voice students will need to stand for the duration of their lesson unless they need to sit to play an instrument. Then a stool will be provided.
3. Piano students will continue to use the piano. Any supplemental lesson materials will still be provided/printed as needed.
4. A high power HEPA air purifier will be running 24/7 in the studio to maintain proper ventilation.
5. All students must sanitize their hands when entering and leaving their lesson. I will make sure to sanitize surfaces between lessons.

These COVID policies have been put in place for the safety of myself, my family, and my students and their family members. If you have any questions about anything listed above, please feel free to contact me. If you feel as though you cannot comply with any of the above, you are more than welcome to continue your lessons virtually.

I, _____, (Parent / Student) have read the Sara Marie Music Studio Covid-19 Policies. I confirm that I understand and agree to comply to all policies outlined. Failure to comply will result in student's lessons being done solely online or immediate dismissal from the studio (forfeiting all scheduled lessons, makeup lessons and payment credits).
