

HEALTH & SAFETY POLICY

SARA MARIE MUSIC STUDIO

STUDENT HEALTH POLICIES:

1. Please use hand sanitizer upon entering and leaving the house.
2. Student(s) and one parent/guardian may be in studio during lessons.
3. If you are ill or starting to feel ill, please reschedule your lesson or have your lesson via Zoom/Facetime. **Please do not show up to your lesson sick.**
4. If you choose to reschedule your lesson due to illness rather than do it virtually, please schedule once you are recovered. If you have had a fever, you must be fever free and completely recovered before returning to in-person lessons.
5. If you or anyone you live with becomes exposed to COVID-19/RSV/FLU/STREP (etc.), or you contracted one of the highly contagious viruses yourself, your lesson will need to be rescheduled or done virtually. For Covid, a negative Covid test is required to return to lessons in person.
6. Masks may be required in studio under special circumstances (ex.- if local levels of illness rise to an unsafe amount). I will always let you know ahead of time and it will be at my discretion.

NOTE- *For future reference, if your school closes for an outbreak of Flu, RSV, Covid, or any other highly contagious virus, plan to do your lessons virtually until the quarantine in your school has been lifted.

STUDENT SAFETY POLICIES:

1. Since we live on a farm, please be aware that you will come across animals such as sheep and steer on your drive up the lane. At no time should you approach or try to pet these animals. If they are in your way, just beep and they will move.
2. Sometimes the lane and yard get muddy and/or slippery, especially after rain and snow. Please do your best to wear proper shoe attire. If there is inclement weather that makes the lane impassable, all lessons will be moved online until it can be cleared.
3. We do have a dog. She is very friendly. However, if you are not comfortable with dogs, please let me know before your lessons begin so I can make proper arrangements.

*NOTE-Please take shoes off upon entering for your lessons. There will be areas to place them when you enter.

PARKING-

1. Please park in front of the house on the lane or in the driveway. Keep in mind that other students may be leaving or entering the lane and driveway at the same time. So please leave room in the driveway and on the lane for others to park.

These Health and Safety policies have been put in place for the health, safety and well-being of my students and their family members as well as myself and my family. If you have any questions about anything listed above, please feel free to contact me. If you feel as though you cannot comply with any of the above, you are more than welcome to have your lessons virtually or cease lessons. Thank you for your cooperation and understanding.

I, _____, (Parent / Student) have read the Sara Marie Music Studio Health & Safety Policies. I confirm that I understand and agree to comply to all policies outlined. Failure to comply will result in student's lessons being done solely online or immediate dismissal from the studio (forfeiting all scheduled lessons, makeup lessons and payment credits).
